

LESS ARGUING. MORE WISDOM.

THE POWER OF QUESTIONS ONLINE COURSE

WHY DOES EVERYTHING HAVE TO BE A FIGHT?

CHAD HAYENGA
SPEAKER

It's exhausting, isn't it?

From daily chores to bigger life-defining decisions most parents dread engaging in power struggles with their children.

It leads to discontent, lack of respect, distanced relationships; and often more nagging from parents. The nagging isn't cultivating wisdom, is it? But how do you stop the constant arguing?

In this workshop you'll learn **the art of asking questions** that build internal wisdom and character in your kids, and create a culture of teamwork in your family.
